### Academic Year (2021) Tuition Fees

Dear Parents and Guardians,

We hope this letter finds you and your family healthy and keeping safe.

The effects of this pandemic have impacted all of our lives on many levels. We assure you that we are conscious of this and appreciate that these are financially challenging times for some. Our core purpose remains that of providing an outstanding education at a reasonable cost and helping all our students achieve their full potential. Our fees have always been calculated accordingly, and in an effort to mitigate the financial pressure and to support all our students to remain in the SABIS family we are pleased to announce the following:

- In the case that the school shall commence the Academic year 2020-2021 adopting a purely remote learning scenario (i.e no physical attendance of students allowed at the schools), then Abdulaziz International School will apply a deduction on the tuition fees for the Academic year 2020-2021 (that will be applicable by term) as per the attached table. In such an event, parents will be refunded the difference in full, and these amounts will be credited to the students' accounts.

In light of the above, the school will not be able to accept late payments. Fee settlement should be completed as per the deadlines below, and failure to do so will annul the tuition support.

- Term 1 fees before September 1, 2020.
- Term 2 fees before November 20, 2020.
- Term 3 fees before January 20, 2021.
- We would like to add that in collaboration with the Ministry and in honor and support of the heroes on the frontline, an additional 15% discount will be granted to parents who work in the health sector supporting COVID-19 patients
- In a further effort to support our parents in such difficult times, all parents will still benefit from the siblings' discount, which is 10 % on the second child and 15 % on the third child only.

We hope that the easing of some restrictions and the gradual return to normal life will continue over the coming months and will provide some measure of relief for all. Until then, we wish you and your children a safe, restful, and well-earned summer break.
